RENOVATION

COLOSSAL CONSTRUCTION SERVICES

Colossal Construction Company, LLC is a full service construction company that specializes in the renovation and construction of churches. With Design capabilities in house and by teaming with other professionals we can build the future together.

We also extend an energy audit service to our clients. In this audit we can analyze existing utility usages, calculate options and payback periods and ultimately come with a project to reduce these costs.

With over 40 years combined experience, our team at Colossal can help make your project a success. We will work hard to achieve a project that is on schedule and in budget.
