- Project dedication.

At Colossal Construction Company LLC we are a Service Disabled Veteran Owned Small Business (SDVOSB). The SDVOSB set-aside designation allows us to bid jobs and obtain sole source contracts from departments within the Federal and State governments that other companies are not eligible to obtain. Our management team has experience with these contracts not only as contractors but first hand as employees from within these Federal and State government departments that we

we'll help you save time and money

service as clients. Our intricate knowledge of the government's procurement system has allowed us a distinct advantage over our competitors. Based on our past experiences we are able to talk the talk and walk the walk with the clients we are serving, as if we are still government employees. This understanding of the system and the needs of our clients makes us a preferred General Contractor. On Federal jobs we have the ability to perform as General Contractors in any part of the United States. Our primary business concern is State and Federal client's and obtaining repeat business based on our customer service, quality of work, and ability to manage to the project in efficient and diligent manner.

General Construction Services

As general contractors we have the capability and experience to perform on projects large and small, new construction and renovations.

Design Build Solutions

By utilizing our design build service, it allows us to control the quality, cost, project schedule, and give the customer a single point of responsibility; Colossal Construction Company LLC.

Construction Management

Our CM service focuses on protecting the client's best interests while providing valuable input throughout design, estimating, and construction phases of the project.

WITH OUR EXPERIENCE AND KNOWLEDGE, HOW CAN WE HELP YOU?
